To: The Family of Cynthia Goh

Dear Family,

RE: CONDOLENCE MESSAGE FROM AFRICAN PALLIATIVE CARE ASSOCIATION (APCA)

It was with profound sadness that we have learnt of the passing on of Cynthia, We, at the African Palliative Care Association (APCA) would like to convey our deepest sympathies to the entire family for this loss.

Cynthia was a beacon of hope to the palliative care community globally. As the pioneer of palliative care in the Asia Pacific, we have worked with Cynthia over the years in ensuring that palliative care is integrated in all health systems and is available for all who need it. We shall miss Cynthia's wisdom, gentleness, kindness, warmth and her love for humanity.

We are thinking of you and we pray for comfort and strength as you go through this difficult time. May Cynthia's soul rest in eternal peace, and may her light continue to shine down on you all.

Yours Sincerely,

Andre Wagner
