

Update on Organisational Membership Subscription Model

Dear APHN Members,

The 22nd Council of the Asia Pacific Hospice Palliative Care Network has passed a resolution to update our **Organisational** membership subscription model. This update aims to establish a more transparent model, simplifying membership renewals for all members.

The current Organisational subscription fee, which is currently based on the organization's annual income/expenditure, will transition to a tiered system based on the socio-economic level of the region where you are located. There will be four tiers corresponding to the World Bank Income Levels: Low-income, Lower-middle-income, Upper-middle-income, and High-income segments. The new subscription fees will be USD 50, USD 100, USD 300, and USD 500, respectively. This information is available on the World Bank Country and Lending Groups – World Bank Data Help Desk. The change will come into effect on **1st January 2024**, and existing organizational members will adopt the new tier structure starting from the year 2027.

We appreciate your understanding. For any queries, please feel free to email us at membership@aphn.org

Disclaimer: APHN reserves the right to update our membership subscription model any time with prior notice to members in an appropriate manner.
