24th APHN Council Candidate

Candidate's Profile	
Name: <u>Yoshiyuki Kizawa</u>	
<u>Current Appointment</u> Organisation: Japanese Society for Palliative Medicine	
Position Held: President	
<u>Professional Background (existing principal commitments and past experiences):</u> Yoshi (Yoshiyuki Kizawa) is a Director of the Department of Palliative and Supportive Care at the University of Tsukuba Hospital and the Professor of Palliative Medicine at the University of Tsukuba, Institute of Medicine. He has been a council Member of APHN and serves as the Research Committee Chair. Yoshi leads the education program that aims to acquire basic skills of palliative care for all health care professionals to improve the quality of life of patients and families who are in life-threatening conditions. The national primary palliative care education project namely PEACE (Palliative care Emphasis program on symptom management and Assessment for Continuous medical Education) was launched in 2007 funded by the Japanese government and disseminated all over Japan. Until March 2022, more than 150,000 physicians finished the 2-day education course. This educational project very much contributes improving the integration of palliative care in oncology in our country. He also has a strong interest in teaching and practicing advance care planning. Yoshi leads a National Advance Care Planning Education Project, funded by the Japanese government, namely E-FIELD (Education for Implementing End-of-life Discussion).

24th APHN Council Candidate

Candidate's Profile	
Name: <u>Wayne Naylor</u>	
<u>Current Appointment</u> Organisation: Hospice New Zealand Incorporated	
Position Held: Chief Executive Officer	
<u>Professional Background (existing principal commitments and past experiences):</u> Wayne is Chief Executive of Te Kahu Pairuri o Aotearoa – Hospice New Zealand, where he has been working since February 2021. He was previously Director of Nursing at Hospice Waikato in Hamilton for nine years, one of New Zealand's largest hospice services. Wayne is a Committee Member of the Palliative Care Collaborative Aotearoa, a collective of the specialist palliative care organisations in New Zealand. He is also a Committee Member of the National Palliative Care Steering Group providing advice and direction on the NZ Government's national palliative care work programme. Over his nearly 30-year nursing career, Wayne has worked in a variety of specialties, but has spent most of his time in oncology, haematology and palliative care. He has been a Research Nurse in wound management, and a Clinical Nurse Specialist and Nurse Lecturer in oncology and haematology. Wayne also spent three years as a Senior Analyst for the Palliative Care Council of New Zealand. Wayne received his Diploma in Comprehensive Nursing from Otago Polytechnic in 1992 and went on to complete a Bachelor of Science honours degree at The Royal Marsden Hospital in London, followed by post graduate qualifications in palliative care and statistics on his return to New Zealand. Wayne has a particular interest in cancer and palliative care nursing and nursing education, and he has a long-standing interest in wound management, particularly in cancer and palliative care patients. He has presented and published widely on this subject both nationally and internationally.
